

(2) Details on how to deposit your photos and stories in the Google Drive folder

https://drive.google.com/drive/folders/1FLic4nQNQMnoWUgxCwqKWJ7Z_OeHUdF4?usp=sharing

You will need to sign into a Google account to access the folder (you can create one if you do not already have one).

Then create a new folder for your photos/stories and give the folder your name so that it is easy for us to know who made the contribution.

If known, indicate the year your photos or stories are from. (If you have trouble accessing the Google folder, contact Denise for other options.)

Please provide any submitted text in English or in Italian (or possibly both).

We ask that you submit your contributions **by 15 February 2021**.
